

NightSpire®

Area Lighting

FEATURES

- Adjustable spot to flood capability
- 360° of continuous rotation
- 130° of vertical tilt
- Can pair up to three units on one controller
- Wireless controller with back-lit buttons
- 3,100 raw lumen output
- Permanent and magnet mount bases available
- 12 Vdc
- Five-year warranty

APPROVAL

- IP69K

NightSpire® is an adjustable spot, and flood LED light with a wireless controller. Engineered with a digitally controlled lens, NightSpire adjusts from 50-degrees of floodlight to a pinpoint spotlight at 4-degrees. This technology allows for light versatility and decreases maintenance due to a lack of moving parts within the lens. In addition, NightSpire offers 360-degrees of continuous rotation and 130-degrees of vertical tilt.

NightSpire follows the mounting footprint of Federal Signal's flagship beacon – the Spire®. Like the Spire, NightSpire comes in a permanent and magnet mount base. In addition, NightSpire is rated IP69K for maximum protection against dust and water, which includes pressure wash resistance.

NightSpire includes a full-featured wireless controller with an easy-to-grip design and back-lit pad-printed tactile buttons for identification when activated. Each wireless controller can pair up to three lights, if needed, eliminating multiple controllers. NightSpire has two memory control functions that enable users to move the spotlight to programmed locations.

Spot Light
4-degrees for 'pin-point' lighting

Flood Light
50-degrees to illuminate a scene

HOW TO ORDER

LED Color W Dome Color C

NS200-P	Permanent/1-inch pipe mount, wireless controller
NS200-M	Magnet mount, accessory plug, wireless controller

ACCESSORIES

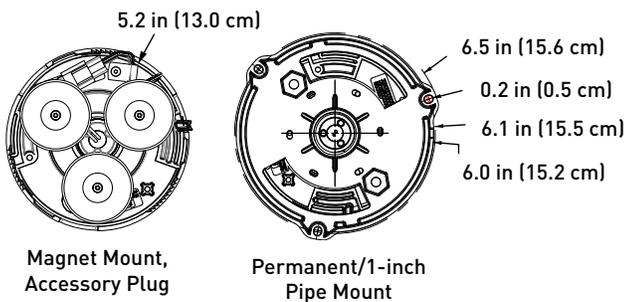

200NS-TALL	Branch guard
Z864901329	Bracket kit for mounting to Allegiant®/Integrity®/Legend®
NSCTRL-BKT	Wireless controller dash mount bracket
NSCTRL-1	Replacement wireless controller

SPECIFICATIONS

CURRENT DRAW	2.5 A @ 12.8 Vdc (3.25 A Peak)
OPERATING VOLTAGE	12 Vdc
OPERATING TEMP	-40° to +176° F (-40° to +80° C)

PHYSICAL SPECIFICATIONS

	NS200-P	NS200-M	NSCTRL-1
DIAMETER	6.0 in (15.2 cm)	5.2 in (13.0 cm)	N/A
HEIGHT	7.1 in (18.0 cm)	6.9 in (17.6 cm)	5.1 in (4.5 cm)
LENGTH	N/A	N/A	1.8 in (4.5 cm)
WIDTH	N/A	N/A	1.1 in (2.9 cm)
