

Commander® Flashing and Marker Light

Exterior Mount/Perimeter Light

COM1FC-R

FEATURES

- Multipurpose surface mount warning and marker lights; small size allows for various mounting locations on the vehicle
- Flashing models available with the single flash pattern
- Flashing and marker lights are available in Amber and Red
- All models are fully encapsulated to prevent any moisture issues
- All models include a Chrome flange and mounting gasket
- Five-year warranty

Commander® Flashing and Marker lights have a small surface-mount design that can be mounted in various locations on a police car, fire apparatus, ambulance, and work truck. Flashing models are available with a single flash pattern and available in Amber and Red. The Marker/Clearance lights are available in Amber and Red and have a wider beam spread than the flashing models.

Flashing and Marker light models utilize (4) LEDs. All models are fully encapsulated to prevent any moisture issues and include a Chrome flange and mounting gasket.

Available colors for flashing models

APPROVALS

Marker/Clearance Lights

- SAE J592
- J2042
