

INSTRUCTION SHEET FOR GHFLANGE TRIM RING

IMPORTANT

Refer to instruction sheet 9147551 (supplied with the Model GHSCENE light) for the Safety Message to Installers, Users, and Operators.

A. GENERAL.

The Model GHFLANGE trim ring is a polished aluminum trim ring for use in place of the plastic trim ring supplied with the Model GHSCENE light.

B. INSTALLATION.

Discard the plastic trim ring and four trim ring screws supplied with the GHSCENE light and replace them with the GHFLANGE trim ring and longer hardware provided in this kit. Then follow the instructions (9147551) supplied with the Model GHSCENE light for proper mounting procedure, electrical connections, maintenance, and replacement parts.
