

MICROPULSE® ULTRA SMOKED LENS STEADY BURN MODELS

NOW AVAILABLE FOR USE WITH
PATHFINDER® SIRENS

Smoked Lens MicroPulse® Ultra models are now available as steady burn models for use with the Pathfinder® Siren. The dark tinted polycarbonate lens allows these smoked lens models to be the optimal choice for low-profile and undercover operations. In combination with the Smoked Lens MicroPulse Ultra Steady Burn models, the Pathfinder can control the warning lights by utilizing flash patterns programmed into the siren and syncing/alternating the light heads.

FEATURES

- Smoked lens steady burn models to be used with Pathfinder internal flasher or other external flashers
- Smoked lens models allow for low-profile and undercover operations
- SpectraLux® multicolor LED technology in combinations of Blue, Red, and White
- Includes Black bezel and gasket
- FSJoin™ enables the synchronization and programming of light bars and exterior/interior lights that works in conjunction with the Pathfinder Siren
- Available in Dual-, and Tri-Color models
- 5-year warranty
