| 360411-04 | 3600, Red LEDs, Clear lens |
| 360411-05 | 3600, White LEDs, Clear lens |

TIMING

New orders for these models will no longer be accepted after 12/31/2017. Any inventory still in stock after that date will be available only "while supplies last".

SUGGESTED ALTERNATIVES

There are a variety of perimeter light alternatives available, including solutions for industry standard 6" oval applications.

IMPAXX 6 with 330507 mounting kit

SignalTech 6" Oval lights

MicroPulse with 330508 mounting kit

The 330508 mounting plate and grommet kit can be used with the following MicroPulse units:

- MicroPulse 6
- MicroPulse 12 Ultra
- MicroPulse 6 Ultra
- MicroPulse Wide Angle 9

For specific model numbers on the various perimeter lights suggested above, visit www.fedsig.com or contact your local Federal Signal representative.
