

Commander® 3" Compartment Lights

Compartment Lighting

FEATURES

- Standard 3" round surface mount compartment lights with an aluminum base
- Surface mount alleviates the need to do full body cutouts
- Low-profile design allows for versatile mounting options
- All models include bolt or adhesive mount for added flexibility in mounting
- Dual-color compartment lights allow for separate control of colors
- Red LED compartment lights are ideal for improved nighttime vision in compartments
- Chrome flange and rubber grommet available
- Five-year warranty

The Commander® 3" lights feature a low-profile design and surface mount that allows for versatile mounting options on a vehicle. The COM3 compartment light models include an optional rubber grommet or chrome flange (both sold separately). Compartment light models are available in White, and Red/White; dual-color models allow for separate control of colors. Compartment light models are available in a Clear lens.

APPROVALS

- SAE J845 Class 2
- SAE J595, Class 2
