

Federal Signal discontinues black bezels for Quadraflare exterior warning lights

Federal Signal is discontinuing the black bezels for Quadraflare exterior warning lights. This announcement affects the following model numbers:

QL73MB

QL64MB

QL97MB

Timing

Only a very limited supply of parts are available for these mounting kits. These bezel kits will only remain active while supply last. When the last available stock is depleted, these bezels will no longer be for sale.

Recommended Substitutes

The following models can be purchased:

QL73MC

QL64MC

QL97MC
