Federal Signal Releases New Series “-US” XStream® Models

Federal Signal is pleased to announce the release of the “-US” series of the XStream® product line. The new XStream models offer the same functionality and features as the previous series, but now are manufactured at our University Park, Illinois facility.

The current XStream model numbers are being discontinued.

FEATURES

- Solaris® LED reflector technology for better optical efficiency and superior off-axis warning
- SpectraLux® multicolor LED technology in combinations of Amber, Blue, Green, Red and White
- Each light head includes three colors with 6 LEDs of each color (18 LEDs total)
- Low-profile design
- Available in single or dual head models
- Black polycarbonate housing
- Each model features two recessed buttons, one to change flash pattern and other for color mode
- (25) Flash patterns including random and steady; (10) color modes
- Versatile mounting brackets and three different length snap-on flash guards included
- Choice of cigarette plug or wired models
- Cigarette plug models include two switches for on/off and steady-burn
- Five-year warranty
