Limited Warranty

Limited Warranty

Federal warrants that (a) the Software Product will perform substantially per the accompanying written materials for a period of one (1) year from the date of shipment of the Software Product by Federal and (b) any Support Services provided by Federal shall be substantially as described in applicable written materials provided to you by Federal. Some states and jurisdictions do not allow limitations on the duration of an implied warranty, so the above limitation may not apply to you. To the extent allowed by applicable law, implied warranties on the Software Product, if any, are limited to the period of one (1) year from the date of shipment of the Software Product by Federal.

Customer Remedies

Federal’s entire liability and your exclusive remedy shall be, at Federal’s option, either (a) return of the price paid, if any, or (b) repair or replacement of the Software Product that does not meet Federal’s Limited Warranty and which is returned to Federal with a copy of your receipt. This Limited Warranty is void if failure of the Software Product has resulted from accident, abuse, or misapplication. Any replacement Software Product will be warranted for the remainder of the original warranty period or thirty (30) days, whichever is longer. Outside the United States, neither these remedies nor any product support services offered by Federal are available without proof of purchase from an authorized international source.

No Other Warranties

To the maximum extent permitted by applicable law, Federal disclaims all other warranties and conditions, either express or implied, including, but not limited to, implied warranties of merchantability, fitness for a particular purpose, title, and non-infringement, with regard to the software product, and the provision of or failure to provide support services. This limited warranty gives you specific legal rights. You may have others, which vary from state/jurisdiction to state/jurisdiction.

Limitation of Liability

To the maximum extent permitted by applicable law, in no event shall Federal be liable for any special, incidental, indirect, or consequential damages whatsoever (including, without limitation, damages for loss of business profits, business interruption, loss of business information, or any other pecuniary loss) arising out of the use of or inability to use the software product or the provision of or failure to provide support services, even if Federal has been advised of the possibility of such damages. In any case, Federal’s entire liability under any provision of this Agreement shall be limited to the amount actually paid by you for the software product, provided, however, if you have entered into a Federal support services agreement, Federal’s entire liability

regarding support services shall be governed by the terms of that Agreement. Because some states and jurisdictions do not allow the exclusion or limitation of liability, the above limitation may not apply to you.

Export Law Assurances

You acknowledge that the Software Product is subject to restrictions and controls imposed under the export control laws and regulations of the U.S.A. and any amendments thereof. You certify that neither the Software Product nor any direct product thereof is being or will be exported, acquired, shipped, transferred, or re-exported, directly or indirectly, to (i) any country or region prohibited under such laws and regulations; (ii) any end user who you know or have reason to believe will utilize them in the design, development or production of nuclear, chemical, or biological weapons; or (iii) any end user who has been prohibited from participating in the U.S.A. export transactions by any federal agency of the U.S.A. government.
