

Federal Signal's 3600 LED series perimeter lights

Federal Signal is currently discontinuing many of the 3600 LED series perimeter lights. **Seven new part numbers will remain in this series**, replacing some of the most popular models (the numbers are indicated by color below).

The following matrix illustrates which models will be replaced and those that will be phased out.

Original Part Number	Description	NEW Replacement Part Number
360500-02	Amber lens, amber LEDs, narrow lens prescription, built-in flasher	N/A
360500-03	Blue lens, blue LEDs, narrow lens prescription, built-in flasher	N/A
360500-04	Red lens, red LEDs, narrow lens prescription, built-in flasher	N/A
360501-02	Amber lens, amber LEDs, wide lens prescription, built-in flasher	360401-02
360501-03	Blue lens, blue LEDs, wide lens prescription, built-in flasher	360401-03
360501-04	Red lens, red LEDs, wide lens prescription, built-in flasher	360401-04
360501-06	Green lens, green LEDs, wide lens prescription, built-in flasher	N/A
360510-02	Clear lens, amber LEDs, narrow lens prescription, built-in flasher	N/A
360510-03	Clear lens, blue LEDs, narrow lens prescription, built-in flasher	N/A
360510-04	Clear lens, red LEDs, narrow lens prescription, built-in flasher	N/A
360510-05	Clear lens, white LEDs, narrow lens prescription, built-in flasher	N/A
360511-02	Clear lens, amber LEDs, wide lens prescription, built-in flasher	360411-02
360511-03	Clear lens, blue LEDs, wide lens prescription, built-in flasher	360411-03
360511-04	Clear lens, red LEDs, wide lens prescription, built-in flasher	360411-04
360511-05	Clear lens, white LEDs, wide lens prescription, built-in flasher	360411-05
360511-06	Clear lens, green LEDs, wide lens prescription, built-in flasher	N/A
360520-02	Amber lens, amber LEDs, narrow lens prescription, built-in flasher, with oval mounting bracket	N/A
360520-03	Blue lens, blue LEDs, narrow lens prescription, built-in flasher, with oval mounting bracket	N/A
360520-04	Red lens, red LEDs, narrow lens prescription, built-in flasher, with oval mounting bracket	N/A
360520-05	Clear lens, white LEDs, narrow lens prescription, built-in flasher, with oval mounting bracket	N/A

Original Part Number	Description	NEW Replacement Part Number
360521-02	Amber lens, amber LEDs, wide lens prescription, built-in flasher, with oval mounting bracket	N/A
360521-03	Blue lens, blue LEDs, wide lens prescription, built-in flasher, with oval mounting bracket	N/A
360521-04	Red lens, red LEDs, narrow lens prescription, built-in flasher, with oval mounting bracket	N/A
360530-02	Amber lens, amber LEDs, narrow lens prescription, built-in flasher, with surface mount bracket	N/A
360530-03	Blue lens, blue LEDs, narrow lens prescription, built-in flasher, with surface mount bracket	N/A
360530-04	Red lens, red LEDs, narrow lens prescription, built-in flasher, with surface mount bracket	N/A
360531-02	Amber lens, amber LEDs, wide lens prescription, built-in flasher, with surface mount bracket	N/A
360531-03	Blue lens, blue LEDs, wide lens prescription, built-in flasher, with surface mount bracket	N/A
360531-04	Red lens, red LEDs, wide lens prescription, built-in flasher, with surface mount bracket	N/A
360532-02	Clear lens, amber LEDs, narrow lens prescription, built-in flasher, with surface mount bracket	N/A
360532-03	Clear lens, blue LEDs, narrow lens prescription, built-in flasher, with surface mount bracket	N/A
360532-04	Clear lens, red LEDs, narrow lens prescription, built-in flasher, with surface mount bracket	N/A
360533-02	Clear lens, amber LEDs, wide lens prescription, built-in flasher, with surface mount bracket	N/A
360533-03	Clear lens, blue LEDs, wide lens prescription, built-in flasher, with surface mount bracket	N/A
360533-04	Clear lens, red LEDs, wide lens prescription, built-in flasher, with surface mount bracket	N/A
360600-02	Clear lens, amber LEDs, wide lens prescription, no internal flasher	N/A
360600-03	Clear lens, blue LEDs, wide lens prescription, no internal flasher	N/A
360600-04	Clear lens, red LEDs, wide lens prescription, no internal flasher	N/A
360600-05	Clear lens, white LEDs, wide lens prescription, no internal flasher	N/A
360601-02	Amber lens, amber LEDs, wide lens prescription, no internal flasher	N/A
360601-03	Blue lens, blue LEDs, wide lens prescription, no internal flasher	N/A
360601-04	Red lens, red LEDs, wide lens prescription, no internal flasher	N/A
360602-02	Clear lens, amber LEDs, narrow lens prescription, no internal flasher	N/A
360602-04	Clear lens, red LEDs, narrow lens prescription, no internal flasher	N/A
360603-02	Amber lens, amber LEDs, narrow lens prescription, no internal flasher	N/A

The new 360401 and 360411 series perimeter lights are not identical to the original 360501 and 360511 series with respect to optical compliance.

See the following table for a comparison between the original (360501/360511) and new (360401/360411) lights.

Original Part Number	Optical Test	Result	NEW Replacement Part Number	Result
360501-02	SAE J845	Not compliant	360401-02	Class 2
360501-03	SAE J845	Not compliant	360401-03	Class 1
360501-04	SAE J845	Class 1	360401-04	Class 1
360511-05	SAE J845	Not compliant	360411-05	Class 1
360501-02	SAE J595	Class 1	360401-02	Class 1
360501-03	SAE J595	Class 1	360401-03	Class 1
360501-04	SAE J595	Class 1	360401-04	Class 1
360511-05	SAE J595	Class 1	360411-05	Class 1
360501-02	CAC Title 13	Not compliant	360401-02	Compliant
360501-03	CAC Title 13	Compliant	360401-03	Compliant
360501-04	CAC Title 13	Compliant	360401-04	Compliant

New orders will not be accepted for the original 3600 part numbers (360501/360511 series) once stock is depleted (this will vary from model to model).

Please contact your Federal Signal sales representative for details on a specific part number.

All of the existing 3600 LED series mounting brackets are still available, and all are compatible with the newly released 3600 LED models (360401/360411 series).

See the matrix below for these brackets.

Part Number	Description
330501	Kit, plastic surface mount (pair)
330502	Kit, flush mount (pair)
330503	Kit, side mirror mount with rubber grommet (pair)
330504	Kit, dash/deck mount, plastic bezel (sold individually)
330505	Kit, cast bezel, surface mount (sold individually)
330507	Kit, grommet, 6" (sold individually)

3600 Brackets
